

**F No. 51-10/2012-NCCD**  
**National Centre for Cold Chain Development**  
**Department of Agriculture and Farmers Welfare**

**Date:** 04-02-2025

**CORRIGENDUM**

With reference to the NCCD's guidelines and technical standards titled – "**Engineering Guidelines and Minimum System Standards for Implementation in Cold Chain Components**", there is a typing error on page no. 142 & 143 under chapter number- 16 Controlled Atmosphere (CS-2-CA) and page no. 216 & 217 under chapter number 23- Expansion & Modernisation. The typing error has been corrected and are uploaded in the guidelines below.

The remaining Terms and Conditions remain unchanged till further notice.
