#### Corrigendum

The Concept Note of M/s Katyani Agro-27ACDP000171 received against 3rd EOI under Cluster Development Programme (CDP) was discussed by the Project Appraisal Committee in its meeting held on 5.12.2025 and subsequently, the concept note was not approved by PAC. However, during the publication of the Minutes of Meeting for the PAC meeting, due to typographical error the focus crop of the project was mentioned as onion instead of green chillies. It is however clarified that the project had been evaluated considering the green chillies as the focus crop, and the concept note was not shortlisted as M/s Katyani Agro did not satisfy the annual turnover criteria.

Thus, the decision of the committee remains the same.
