The above said project of Processing of Turmeric (Washing, Grading/Sorting, Boiling, Drying) total capacity of 8 MT per day, Primary Processing Unit of Haldi (Turmeric processing) was discussed in the IC meeting held on 28.08.2012 and the proposal was rejected by the Committee as it seems to be reimbursement of term loan. The promoter has represented the decision of Internal Committee (IC) of NHB and requested for reconsideration of their proposal. The proposal was again discussed in the IC meeting held on 17.05.2013 in the light of the pre LOI inspection report of NHB officer and representation made by farmer and sanction letter of bank dated 09.03.2012 which indicate that disbursement of term loan will be made directly to the supplier based on progress of the project as per requirement.
