Hence, revalidation of LOI is recommended for further 6 months up to 28.07.2013 subject to the condition that term loan released by bank will be utilized in the project and disbursement of term loan will be made to the supplier.	The Committee noted that LOI was issued on 29.07.2011 and NHB generally revalidate the LOI for 1 year. The Committee observed that Rs.4.80 lakh already incurred on civil work and project could not been undertaken in validity period of LOI due to unprecedented hail storm during 2011-12 and time limit for one year extension of LOI is only up to 28.07.2013. which is very small period for conveying the decision to lending bank for sanction of term loan. After detail discussion, Committee approved the re-validation of LOI for further 1 year & 6 months from the date of expiry of LOI (28.07.2012). Hence LOI is re-validated up to 28 Jan,2014 for sanction of term loan and term loan released by bank will be utilized in the project and disbursement of term loan will be made to the supplier.

The Committee noted that expenditure incurred in the project towards civil work is only Rs. 4.07 lakh from the own source of the promoter against the total project cost of Rs. 17.31 lakh. The expenditure incurred has been verified by CA firm and inspecting officer of NHB in the re-verification report of the project site.
