I. Letter of Invitation:

Meghalaya State Agricultural Marketing Board (MSAMB), Meghalaya has been identified as a Cluster Development Agency (CDA) by National Horticulture Board (NHB), Ministry of Agriculture & Farmers Welfare for the implementation of Cluster Development Programme (CDP) in West Jaintia Hills Turmeric Cluster of Meghalaya. The CDA shall recommend the Implementing Agency / Agencies (IAs) for the implementation of different verticals of West Jaintia Hills cluster for Value chain of Turmeric crop, namely:

- a) Pre-Production and Production
- b) Post-Harvest Management and Value addition
- c) Logistics, Marketing and Branding

MSAMB, Meghalaya invites proposals from the eligible Implementing Agencies to submit their proposals for implementation of Cluster Development Programme for West Jaintia Hills cluster through **online portal** (<u>http://www.nhb.gov.in/OnlineApplication/Registration Form.aspx</u>).

Interested agencies may obtain further information and the procedure for submitting the "Call for Proposals" from the websites: <u>www.nhb.gov.in</u> and <u>https://megamb.gov.in</u>

Last date for submission of proposals is 05/09/2022 (32 days from the date of issuance of this *RFP*).MSAMB, Meghalaya reserves the right to cancel the bid at any time or amend / withdraw any of the terms and conditions contained in the RFP document without assigning any reason thereof.

t Director

Inviting Call for Proposals for the Selection of Implementing Agencies to Implement The Horticulture Cluster Development Programme

- The Cluster Development Agency invites proposals from potential applicants to work as Implementing Agencies for the different verticals of the Cluster Development Programme i.e., Pre-production & Production, Post-Harvest Management & Value Addition and Logistics, Marketing & Branding, in the identified cluster of <u>West Jaintia Hills</u> (Cluster name), <u>Meghalaya</u> (State).
- 2. The Horticulture Cluster Development Programme is a Central Sector Scheme that is to be implemented by the National Horticulture Board for the holistic growth and development of identified clusters in horticulture, with an objective to make them globally competitive. The Cluster Development Programme (CDP) is designed to leverage the geographic specialization of horticulture clusters for promoting integrated and market-led development of pre-production, production, post-harvest, logistics, branding and marketing activities. MoA&FW have identified 55 horticulture clusters, of which 12 have been selected for the pilot launch of CDP. Based on the learning, output, and outcome of the pilot implementation, the programme will be rolled out to cover all the 55 clusters.
- 3. <u>Meghalaya State Agricultural Marketing Board</u> has been identified as the Cluster Development Agency (CDA) for the implementation of the Cluster Development Programme in <u>West Jaintia Hills</u> (Cluster), <u>Meghalaya</u> (State). The CDA shall recommend the Implementing Agency/ Agencies (IAs) for the different verticals of the Cluster, namely, Pre-production and Production, Post-Harvest Management & Value Addition, Logistics, Marketing & Branding. Final selection of Implementing Agencies will be done by Approval Committee as provided in the programme guidelines.
- 4. Selection of the Implementing Agency (IA) is essential for Cluster Development Projects, with the aim of capacitating farmers/FPOs and their collectives, creating farm-level infrastructure, adopting new and existing technologies, leveraging IT and IoT, branding, marketing, and promoting export. The programme will focus on all stakeholders in the Value Chain, including farmers/producers, traders, aggregators, agribusiness enterprises, logistic players, retailers, processors, exporters, and other public and private service providers.
- **5.** Applicants will have the flexibility to apply for financial assistance for a single vertical, multiple vertical or an integrated project covering all the verticals of the CDP. To effectively leverage their specialisation, the interventions have been classified into the following three verticals:
 - a. Pre-production & Production: It will support capacity-building of farmers and farm proximate interventions covering the crop life cycle, including planting material, crop-care practices and farm mechanization till the harvest of the crop.
 - **b.** Post-Harvest Management & Value Addition: It will support interventions at the cluster level, ranging from post-harvest handling of crop to storage, value addition and packaging.
 - **c.** Logistics, Marketing & Branding: It will support interventions to link cluster produce with consumption markets and includes seamless logistics for efficient evacuation, cluster branding and outreach in the domestic and export markets.

(C) Documents in support of net-worth of the applicant

The net-worth in the case of Companies will be calculated based on the definition of net-worth in the Companies Act 2013.

1. Private Ltd./ Public Ltd. Companies/ Cooperatives:

- a) The net-worth will be ascertained based on the paid-up share capital of the company and reserves created out of profits.
- b) Share application money would be considered towards calculation of net-worth, provided the same has been converted into paid-up capital within the stipulated time as per the Companies Act, but in any case, it should have been converted into paid-up capital before the submission of the proposal.
- c) A computation of net-worth based on latest audited standalone financial statements of the Company, as duly certified by the Statutory Auditor of the company, needs to be submitted along with the application.
- d) In case of Pvt. Ltd./ Public Ltd. Companies where a significant portion of its net worth stands invested in equity shares of unlisted companies or is shown as loans & advances to various parties with nil or negligible income/revenue, then following additional documents would be required to be submitted by the applicant to ascertain the net worth:
 - i. Details of Investments made in unlisted companies by the applicant company,
 - ii. Audited Financial Statements (AFS) for the previous year or latest provisional Balance Sheet of the companies wherein the investment has been made,
 - iii. Details of loans & advances along with reasons/justification for the same. In case it is observed that the equity contribution made by the promoter company has been utilized by the investee company in creating tangible assets/ Capital work in progress in projects which are under execution then such investments in shares would be considered at face value.
 - iv. However, in case it is observed that the investment by the promoter company is further being reinvested by the investee company in equity shares of unlisted companies or given away as long term/short term advance to individuals/related party/other companies and the investor company has nil/negligible income/ revenue, then no additional clarification shall be asked for and the net worth of such promoter company shall be considered after deducting such investments/loans & advances

2. Proprietorship/ Partnership firms

The net-worth of all entities other than companies will be ascertained on the basis of the latest Balance sheet of the individual proprietor/ partner(s) i.e., assets minus all liabilities, duly certified by the Chartered Accountant (CA) for compliance with the accounting standards issued by the Institute of Chartered Accountants of India (ICAI). The following components will be considered towards net-worth: - Assets include cash, current value of investments, land and building (supported by valuation report at circle rate, circle rate notification and land ownership documents), bonds, cash value of life insurance, current total balance of savings, current or fixed deposit accounts.

The following methodology shall be adopted for determining the net-worth:

- a) Net-worth would be the sum of the net-worth of individual partners and the partnership firm (avoiding duplication of the investment in the partner's capital account of the firm) and the investments of each individual partner towards the partnership firm.
- b) If the applicant is an ongoing partnership/ proprietorship firm and the applicant has submitted an audited Balance sheet of such a partnership/ proprietorship firm, the net-worth based on the audited Balance sheet will be taken into consideration. However, if the net-worth as per the

Balance sheet is insufficient, then the CA-certified statement of Assets and Liabilities of the individual Partners/ Proprietors will be taken into consideration, provided the assets are supported with relevant documents as per the guidelines.

- c) In case the proposed applicant is a new entity then the CA-certified statement of Assets and Liabilities of the individual Partners/ Proprietors will be taken into consideration, provided the assets are supported with relevant documents as per the guidelines.
- d) However, since in a partnership/ proprietorship firm, liability of the partners/proprietors is unlimited, the applicant should submit a CA-certified "Nil Liability Statement" or Statement of "Assets and Liabilities" of the individual partners/ proprietors and the net liabilities based on these statements will be deducted while ascertaining the net-worth.
- e) The aforementioned net-worth components need to be supported by relevant documents.
- f) Shares of unlisted companies will be considered at face value for net-worth and shares of listed companies will be considered based on the average market price of the share for a period of 6 months prior to the date of submission of the proposal.
- g) Assets such as car, jewelry, antiques, gold etc. will not be considered for net-worth.
- h) Loans and advances given to group companies/ related concerns/ individuals will also not be considered towards computation of net-worth.
- i) The applicant(s) will have to give a self-certification regarding the details of the encumbrance of the property submitted by them towards the net-worth.

3. In case a new entity is proposed to be established as Implementing Agency, the following is applicable:

- a) Net-worth of proposed shareholders shall be considered. Each shareholder should meet minimum net-worth requirement of two times of their proposed equity contribution, as per the latest audited balance sheet or CA certificate, as applicable.
- b) Each shareholder should have a minimum 10% equity contribution and lead promoter identified within the applicant entity should have a minimum equity contribution of 26%. All the shareholders/ partners of the new entity shall be jointly responsible and liable to fulfil all its obligations in respect of the project. The lead promoter cannot be changed during project period.
- c) The turnover, Debt Equity ratio and net current assets of the lead promoter shall be considered.

II. Furnis	shing and fabrication of the Laboratory: Cost for furnishing and fabrication of the Laboratory as per NABL layout of the Laboratory
SI. No	Item/particular
1	Furnishing and fabrication of the Laboratory- Partitioning, construction of shelves, working areas, etc.
2	Purchase and installation of workbenches, furniture, taps, etc
3	Electrification and water connection

	III. Consumables	
SI. No	Particulars
