3. MARKET ARRIVALS AND WHOLESALE PRICES OF ONION

- State-wise monthly market arrivals and average wholesale prices of Onion for the month of February, 2020, January, 2020 (previous month) and February, 2019 (corresponding month of previous year) are given in Table-3.1.
- The arrivals were less in February 2020 as compared to corresponding month of previous year on account of less late kharif production. However, arrivals of February, 2020 were more as compared to previous month i.e. January, 2020 which significantly reduce wholesale prices.
- All India Monthly Market Arrivals and Average Wholesale Prices from January 2016 to February 2020 along with Delhi market are given from Table 3.2 to Table 3.5.

- The increased supply of Onion in the coming months may lead to better availability and may lead to further reduction in the average wholesale prices.
