Addendum to Revised guidelines for Cluster Development Programme

With reference to the revised guidelines, the clause of a minimum 40% of project cost of farmer component was inadvertently missed from part A (Multi Commodity high value clusters) of the guidelines. However, the clause to ensure effective allocation of funds across various farmer and IA components, was part of old CDP guidelines and similar clause is also part of Part B (Peri-urban vegetable clusters) of the revised guidelines. Therefore, it has been decided that the clause of minimum 40% of project cost for the farmer component shall also be applicable to part A (Multi Commodity high value clusters) of the guidelines.

The added clause as under: -

Clause	Amended Clause
9.3.8 Page no. 17 and 75	Farmer Component: The farmer components shall be a minimum of 40% of the total project cost
