NHB/CC/6<sup>th</sup> PAC/2025-26

Date. 03.02.2026

#### Corrigendum

The proposal of M/s Abhinav Greens Power India Pvt. Ltd. (22ACG0001177) for cultivation of Dutch Rose under Poly House in an area of 8000 sq. m. at Survey No. 1306, Village-Dargaon, Tehsil-Dhamdha, District-Durg (C.G.) was deferred in the PAC meeting held on 15.01.2026. It was mentioned in the PAC minutes that an opportunity was to be provided for fresh plantation due to the very poor crop condition and that Re-JIT may be conducted due to a typographical error.

However, it has now come to notice that the actual decision of the Committee was to provide one opportunity for weed cleaning and maintenance of the crop as the plantation of roses requires approximately three years for replantation once planted.

Accordingly, the decision of the Committee may be read the "one opportunity is provided for weed cleaning and maintenance of the crop and verification may be conducted by DD, NHB, Raipur, Chhattisgarh".

This issues with the approval of the Competent Authority.
