B. Rejected cases:

The Committee discussed the following project proposals in detail in the light of the scheme guidelines of NHB and rejected. The reasons of rejection are indicated against each project in the following table:

S.no.	Name of the project and project code with project location.	Volume and Sr. No. of Agenda Notes	Project activity/crop with area and capacity	Reason of rejection
1	Harshil Harish Salot , Gat No – 575, At – Shivane, Taluka – Mawal, Dist – Pune(MH) (27BMHB049233)	West Zone (Vol-I) Sr. No.02	Cultivation of Cucumber in 3200 SqM under shade net house and Blueberry in 14800 SqM under Shade net house	The committee discussed the agenda note and observed that the applicant has planted Blueberry in place of cucumber without prior intimation to NHB, which is not permissible under the NHB scheme guidelines.

Amir

C. Policy Decision

During the deliberations on the two cases in which deviations from the prescribed specifications of the gutter purlin were observed, the Committee noted that, in certain instances, applicants had installed gutter purlins with superior strength and structural performance compared to those prescribed under the NHB guidelines.

The Committee was of the view that the adoption of technically superior or stronger gutter purlins should not be disallowed solely on the ground that they do not conform to the existing prescribed specifications, provided that such deviations do not compromise the structural integrity of functional requirements of the poly house.

Accordingly, the Committee decided that, wherever deviations in the specifications of the gutter purlin are noticed and the installed gutter purlin is found to be of superior specifications compared to those prescribed under the NHB guidelines, such cases shall be examined by NHB on their individual merits.

The Committee further decided that, until the revised specifications for gutter purlins are finalized and notified by NHB, a deduction equivalent to 2.5% of the admissible cost of the poly house structure, as determined under the Scheme guidelines based on the EPC assessed by NHB, shall be made from the eligible subsidy in such cases.

Meeting ended with a Vote of Thanks to the chair
